SCHEDULESCOPE OF WORK

Under this Task Order No. 3, the Contractor shall furnish the necessary material and services for the design and development of a Broadband Antenna, filters and a Video Detector in accordance with Contractor's technical proposal No. CRP - 1073 dated 28 March 1958 and Contractor's letters dated 28 March 1958 and 24 April 1958, all of which are incorporated herein by reference and made a part hereof.

SECURITY

The work to be performed and the equipment to be furnished hereunder are UNCLASSIFIED.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects, ie., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period.

This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The association of the sponsor with the work being produced under this Task Order is classified SECRET. This classified information will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this Government component to have access to classified information.
